## PCM Named Hewlett Packard Enterprise North American SMB Partner of the Year

*PCM Financial Performance, Innovation and Sales Drive Lead to Top Ranking*

EL SEGUNDO, Calif., July 10, 2017 (GLOBE NEWSWIRE) -- PCM, Inc. (NASDAQ:PCMI), a leading technology solutions provider, today announced that it has been named the Hewlett Packard Enterprise (HPE) North American U.S. SMB Partner of the Year.

In naming the winners of the 2017 HPE Partner of the Year Awards, HPE celebrates those that have excelled in developing their partnerships with the company and growing mutual business opportunities with joint customers. Recipients were recognized at HPE's annual [Global Partner Summit](#) that took place at the Sands Expo and Convention Center in Las Vegas.

HPE is a partner-focused organization committed to innovating new, collaborative solutions that enable mutual growth together with partners. The 2017 HPE Partner of the Year Awards recognizes partners across the entire HPE ecosystem. Winners were chosen for their excellent financial performance, innovative solutions and for driving meaningful business results for shared customers.

"We are excited to continue working with our partners to deliver powerful business outcomes that enable our joint customers to transform and accelerate their businesses," said John Reilly, Vice President Channel Sales for Hewlett Packard Enterprise. "PCM exemplifies this year after year and we are proud to work closely with them."

"Hewlett Packard Enterprise is one of our most valued partners and we're excited to be named North American SMB Partner of the Year! HPE's quality line of products and solutions combined with our world class provisioning, services and support is resonating well with our SMB clients. We're thrilled with the growth and momentum and we thank HPE for the recognition," said David Hall, PCM SVP of solutions and services.
